

WHAT NOW?

steps you can take right now
to help end gun violence

1. PRAY

For an end to senseless gun violence

For a new vision for our country where everyone
is safe from gun violence.

For the lives lost and tragically affected
every day from gun violence

For the friends and families that must struggle every day to
live without their loved ones lost to gun violence.

For those whose lives will be touched
by gun violence in the future.

For policies and changes that will make every community
across this country safe for its citizens to work, live, and
play without fear of being struck down by a bullet.
